Susan Curran Financial, LLC is pleased to provide you with the professional services described below. This letter confirms the terms of our engagement and the nature and extent of the services we will provide.

We will prepare your federal income tax return and Texas franchise return using information and representations you provide to us. We will not audit or otherwise verify the data you submit, although we may ask you to clarify some information.

We provide a tax checklist and/or organizer to help you gather the information required for a complete and accurate return including all worldwide income. You agree that you will deliver all records requested by our staff to complete this engagement on a timely basis. We will rely on your source documents in determining the tax, character, and treatment of a given transaction. You confirm that personal expenses are segregated from business expenses and expenses such as meals, travel, vehicle use, gifts, charitable contributions, and other deductions are supported by necessary records required by the IRS. Management is responsible for proper recording of transactions in the accounts, safeguarding assets, and substantial accuracy of the financial records.

You are responsible for the returns, so you should review them carefully for accuracy and completeness before you sign them. You should retain all documents that provide evidence and support for reported income, credits, and deductions on your returns as required under tax law. Our engagement does not include any procedures to discover fraud, theft, defalcation or other irregularities. The only accounting or analysis work we will do is that which is necessary for preparation of your income tax returns. Returns are prepared solely for filing with the Internal Revenue Service and state and local tax authorities. They are not intended to benefit or influence any third party, to obtain credit or any other purpose. You agree to indemnify and hold our firm and any of its officers or employees harmless with respect to any and all claims arising from the use of the returns other than filing with the IRS, state and local tax authorities. Susan Curran Financial, LLC's errors and omissions liability will not exceed fees you have paid, regardless of the amount of damages.

We adhere to the strictest standards of professionalism and confidentiality in the work we do for you. The tax process is complex. The results we achieve for you cannot be pre-determined or inordinately influenced and a favorable experience cannot be guaranteed. You agree not to denigrate the company by posting, publishing or otherwise releasing any material in verbal, written or electronic format that disparages Susan Curran Financial LLC, its operations, clients, employees, products, or services. For more information, please see our Non-Disparagement policy: [www.susancurranfinancial.com/non-disparagement-notice](http://www.susancurranfinancial.com/non-disparagement-notice).

We will use our judgment to resolve questions in your favor where tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. In order to avoid penalties, we apply the "more likely than not" reliance standard to resolve such issues. You agree to honor our decisions regarding the need to make protective disclosures in returns. We assume no liability for, and you hereby release us, from any such additional tax, interest, and penalties or other fees and assessments.

Penalties of as much as \$200,000 can be imposed on the business for failing to disclose participation in "reportable transactions," that is, certain arrangements the IRS has identified as potentially abusive. We will insist that all such transactions be properly disclosed. The law also imposes penalties when taxpayers understate their tax liability. If you

have concerns about such penalties, please call. Management remains responsible for the payment of all taxes, penalties, and interest charges imposed by the taxing authorities. You agree that we will not be responsible for your failure to meet government and other filing deadlines, for any penalties or interest that may be assessed against you resulting from your failure to meet the deadlines, and for any other damages (including, but not limited to consequential, indirect, lost profits, or punitive damages) incurred by you as a result of the late filing or non-filing of the tax returns.

Our fee for the services outlined above is based upon the complexity of the work performed, our professional time to complete the work, and on the availability, quality, and completeness of your records. We reserve the right to charge additional fees, if records are not submitted in a timely manner, or are incomplete or unusable. A deposit may be required once the engagement has been accepted. Using the tax organizer provided will help you avoid overlooking important information and contribute to efficient preparation of your return, keeping the cost of our services as low as possible. Payment is due upon completion of your tax return. If special arrangements have been made to extend the payment due date you will be assessed interest charges of 1.75% per month on the unpaid balance.

We reserve the right to withdraw from this engagement without completing the returns if you fail to comply with the terms of this engagement letter or as we determine professional standards require.

We appreciate the opportunity to be of service to you!
